TO: ALL Residents and/or Families/substitute decision-makers

RE: Update Moderna and Pfizer / BioNTech COVID-19 Vaccines

I _____ give my consent to get the COVID 19 Vaccines when it comes available.

While the vaccine is not mandatory, with that said, we will be compiling a list of residents/Families/substitute decision-makers who would like to be vaccinated, along with their information to be ready when we "get the call".

Speak to the tenant's doctor if you are unsure the tenant is eligible for the vaccine. The tenant may not be a candidate if the tenant is:

- immunocompromised or taking any medications that can affect your immune system (e.g., high dose steroids, chemotherapy), or have an autoimmune disease,
- allergic to polyethylene glycol.

This vaccine is given a third booster dose.

Please get in touch with Tara Pagnattaro at tpagnattaro@nikkeishc.com from Monday to Thursday 9 am-5 pm, if you have any questions and for returning the consent form.

Thank you for your attention and cooperation.

Yours sincerely,

Jay Haraga
